

Adopt a Smile for KIND gives both individuals and businesses the ability to make a difference for Colorado children in need by directly supporting dental treatment for families who would otherwise be financially burdened by the cost, or unable to afford it. This program allows a customized monthly gift to fit any budget through automatic recurring monthly bank account deductions.

YOUR MISSION, SHOULD YOU CHOOSE TO ACCEPT IT:

Choose a monthly giving level that fits your unique budget and see reverse page for payment preferences

\$26/MONTH+: KIND STUDENT HERO ■
