

Part-Time Pediatric Dentist (1 Day/Week)

Kids In Need of Dentistry (KIND) – Denver, CO

Are you a pediatric dentist with a heart for service? KIND is looking for a compassionate, skilled dentist to join our mission-driven team **one day per week** to provide care to Colorado's most underserved children.

Why KIND?

Since 1912, KIND has been a trusted nonprofit delivering high-quality dental care to kids who need it most. We create a welcoming, trauma-informed environment where children feel safe and supported—many visiting a dentist for the first time.

What You'll Do:

- Provide preventive and restorative care to children ages 0–18
- Educate families on oral health and hygiene
- Work with a dedicated assistant—no admin work required
- Enjoy flexible scheduling and a supportive team

What We're Looking For:

- DDS or DMD with a Colorado dental license
- Experience treating pediatric patients
- Medicaid credentialed (or willing to become)
- Passion for public health and equity in care

What We Offer:

- **\$1000/day** compensation
- All supplies, equipment, and admin support provided
- Flexible, low-stress work environment
- Opportunity to make a real impact—one smile at a time
- Loan repayment may be available through the Colorado Health Service Corps
